SUPERVISORIAL DISTRICT 5
4 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this transfer is categorically exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Adopt the following resolution:

Be it resolved that the County of Los Angeles by and through its Board of Supervisors does hereby transfer and convey to the Los Angeles County Flood Control District (LACFCD) Private Drain (PD) Nos. 2441-Unit I and 2441-Unit II as depicted on District Drawing Nos. 335-F43.1-.6 and 335-F44.1-.6, respectively, on file with Public Works, and the LACFCD does hereby accept the transfer and conveyance of said drainage facilities.

3. Accept the completed construction work on PD Nos. 2441-Unit I and 2441-Unit II.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

This action provides for the transfer and acceptance of drainage facilities known as PD Nos. 2441-Unit I and 2441-Unit II, constructed as part of Parcel Map Nos. 17949-01 and 17949, respectively, into the County flood control system for operation and maintenance. The transfer and continued maintenance of PD Nos. 2441-Unit I and 2441-Unit II by the LACFCD provides for public health and safety to residents within Parcel Map Nos. 17949 and 17949-01 and visitors to the area.

Implementation of Strategic Plan Goals

The transfer of PD Nos. 2441-Unit I and 2441-Unit II is consistent with the County Strategic Plan Goal of Service Excellence since the regularly scheduled maintenance of flood control facilities is needed to provide flood protection that improves the quality of life to residents in the area.

FISCAL IMPACT/FINANCING

No negative fiscal impact. Maintenance for PD Nos. 2441-Unit I and 2441-Unit II will be funded with Flood Control District funds. There will be no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The developer of the subject Parcel Maps has constructed PD Nos. 2441-Unit I and 2441-Unit II to the satisfaction of the Director of Public Works. The Director of Public Works, as Chief Engineer of the LACFCD, reviewed and approved the facilities for transfer. Under the provisions of Section 13-3/4 of the Los Angeles County Flood Control Act, these facilities may be transferred to the LACFCD.

ENVIRONMENTAL DOCUMENTATION

This transfer is categorically exempt from the provisions of CEQA, as specified in Class 1(u) of the revised Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57, and Section 15301 of the CEQA Guidelines.
